Mr. John Huntoon
American Radio Relay League
West Hartford, Conn.

Dear Mr. Huntoon:

At the first meeting yesterday of the newly elected Board of Directors of the Milwaukee Radio Amateurs Club for the season 1939-1940, we had the pleasure of discussing your letter recently written to Mr. George Ruger.

Mr. Ruger told us he had acknowledged your letter, and this further correspondence is to extend a cordial invitation of the Board of Directors and members for your visit September 7. We know your message will be timely and especially appropriate, coming as it does, at the start of a new club year.

Our opening meeting is to be September 7 and cards will be sent all Milwaukee County Amateurs. As usual, we expect a good attendance.

Will you please advise me when you will arrive and on what Railroad, so that we can arrange to meet you and have dinner before the evening meeting is scheduled to start.

Anticipating hearing from you soon,
I remain

Very truly yours,

GCB:FP
